CONFERENCE

WELCOME TO VERGE CONFERENCE

Welcome to Verge 2012! We are so excited to be able to serve you over the next few days. We hope that this event is a pivotal time for you, the leadership that God has entrusted to you, and the communities you work in and love. It is such an exciting time to be involved in the mission of God, and we hope that this conference inspires, encourages, and resources you to continue pursuing God's mission in community.

As a network, Verge seeks to be an advocate and champion for movements of gospel-centered Missional Communities. Our hope is to resource church leaders, students, entrepreneurs, artists, urban innovators, business leaders, community development specialists, non-profit leaders, church planters, and everyday leaders—basically everyone—for the mission of God, in community, for the sake of the Gospel.

This is the second official Verge Conference. It was initially launched in 2010 as a gathering for people engaged in the mission of God with the gospel in the context of everyday life. Our first year we sold out three weeks in advance with more than 2,000 attendees and nearly 3,000 people who joined us via live stream from 11 different countries.

The themes that have shaped this year's conference are incarnational ministry and disciple making. These words are used often in the Missional Church but easily misunderstood. Over the course of the next few days, we hope to explore the biblical understanding of discipleship and its practical implications for ministering to our friends, neighbors, and co-workers in the context of the 21st century. Leading thinkers and practitioners will be your guide as we begin to uncover the ways in which we can personally, locally and globally engage and re-engage in the mission of God. With nearly 100 workshops to choose from, we hope that there will be plenty of opportunities to be renewed in your community's journey to see the spark of the gospel transform, renew, and multiply.

In all of this we pray that Jesus would be our goal, our hope, our strength, our model, our value, our significance, our worth, and our passion.

With you for the gospel,

Michael 'Stew' Stewart
Verge Conference Founder & Director

7 an experimental mutiny against excess

Disturbed by her family's comfort with American excess, Jen Hatmaker writes with humor and depth about her family's experiment of seven months, seven areas of excess, and seven simple choices they made to fight back against the modern-day diseases of greed, materialism, and overindulgence. So, what's the payoff from living a deeply reduced life? It's the discovery of a greatly increased God—a call toward Christ-like simplicity and generosity that transcends social experiment to become a radically better existence.

The Gospel is about **movement.**

The Church is called to be a community of disciples who make disciples. So, why settle for software that's all about managing data?

The City is a socially-driven software platform that gives your church everything you need to connect people and organize ministry. But its real power is encouraging the kind of community engagement that helps you build and equip a movement of disciples, ready to follow Jesus wherever he leads.

LEADERSHIP GREENHOUSE
TRAINING LEADERS TO TRANSFORM CITIES

Discover two emerging ministries at the same booth!

Mission-critical support raising.

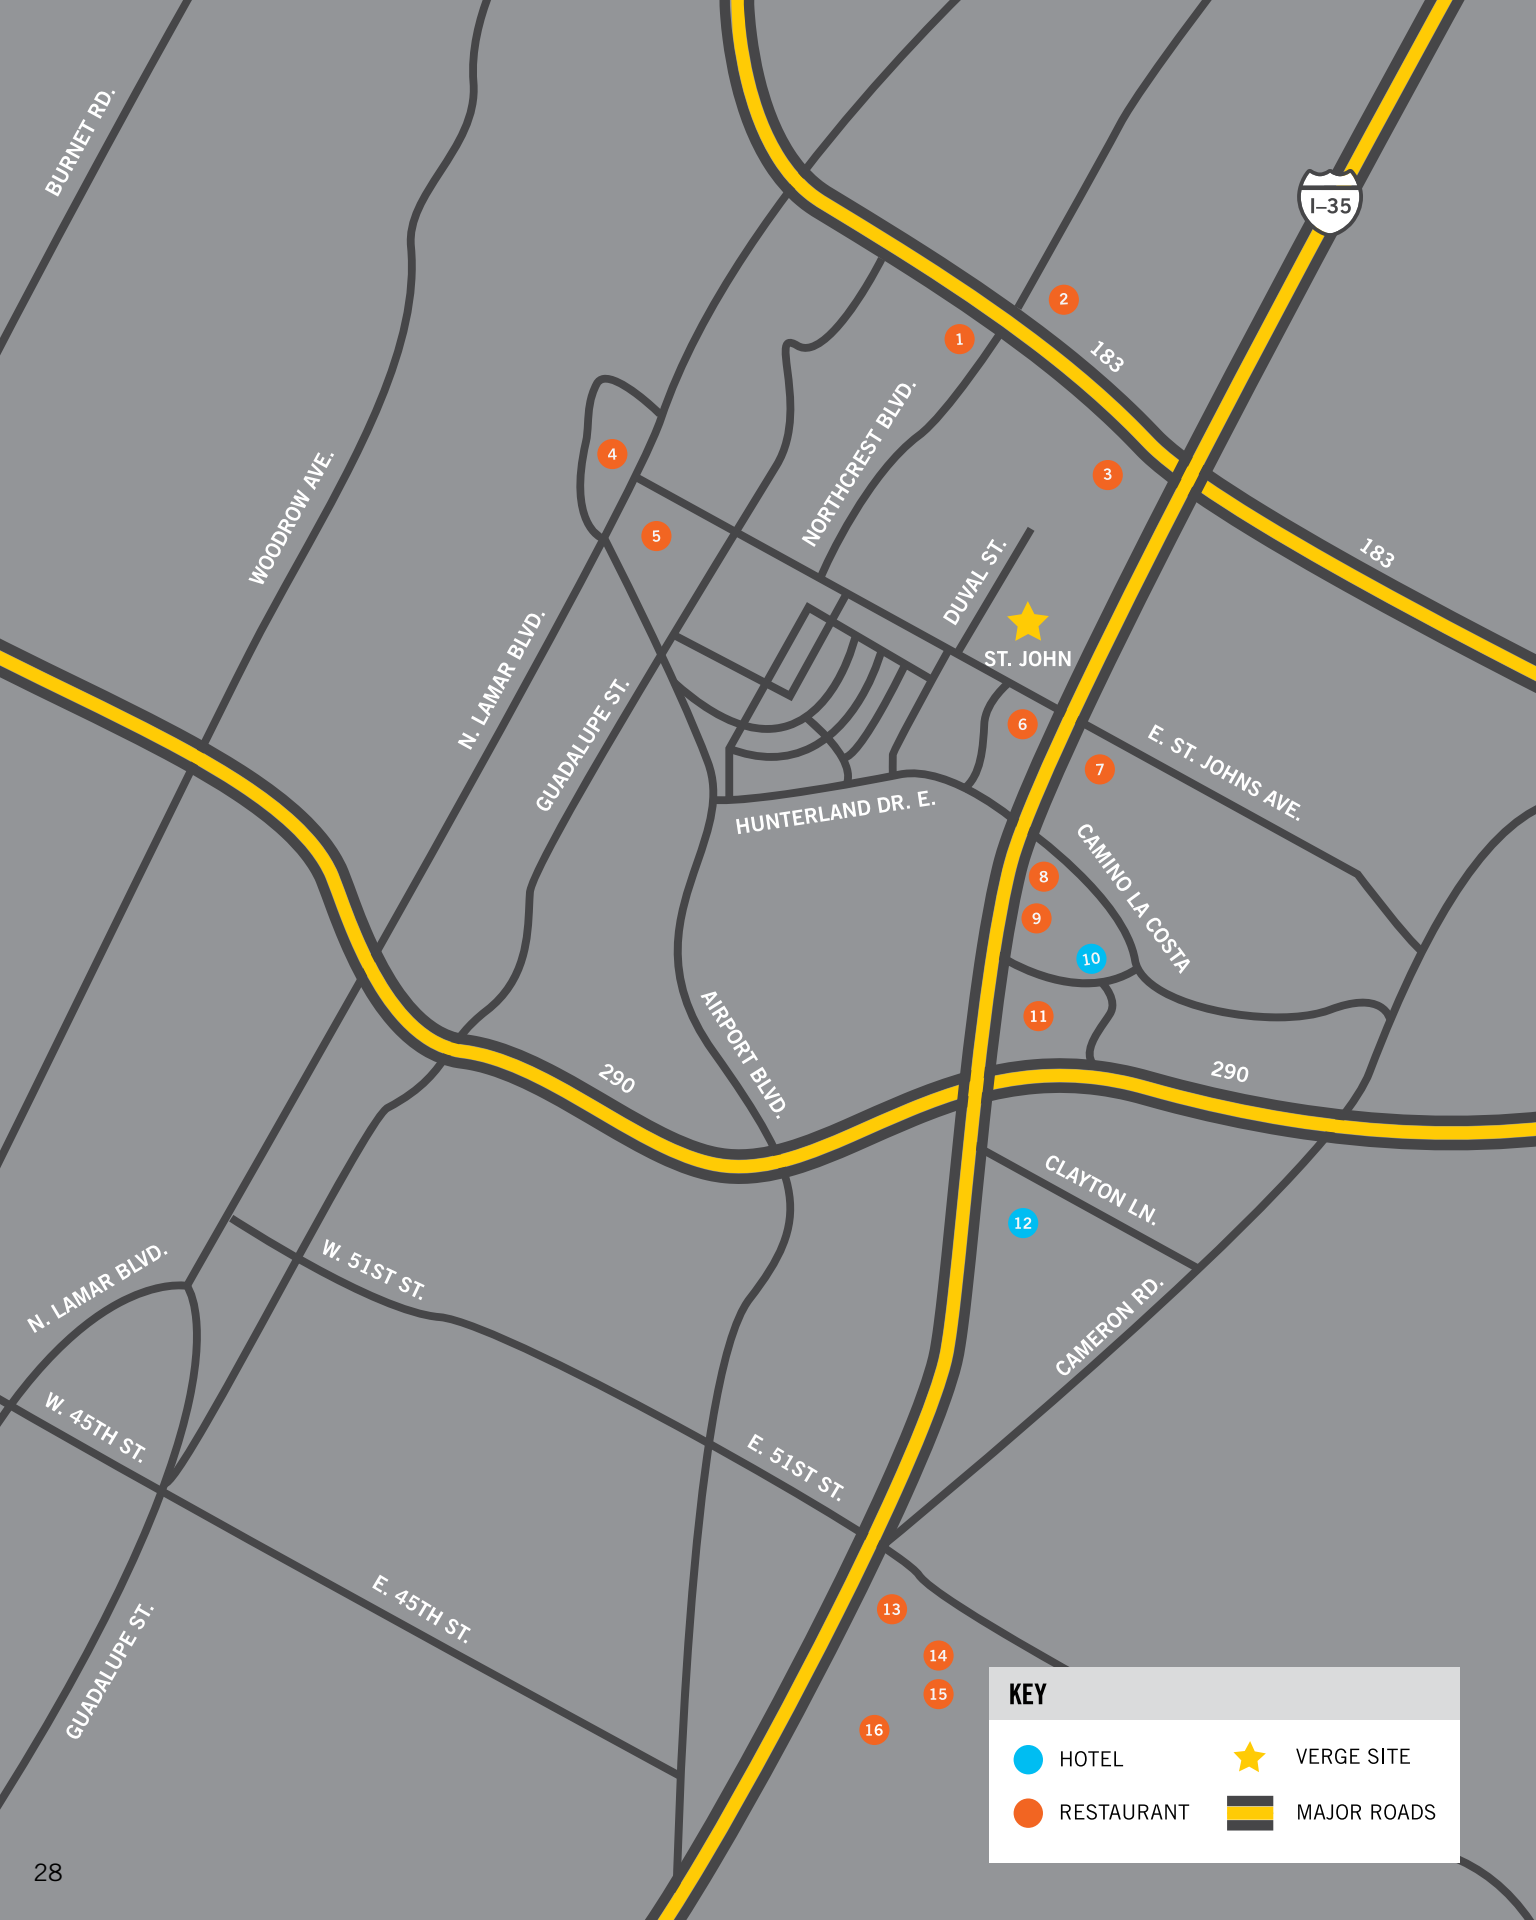

Great Commission Ministries (GCM) partners with local churches to provide trained and funded church planters and missionaries, serving in their own context.

Founded in 1989, our experienced staff teach a comprehensive, personal fund-raising strategy, offer health insurance and 401k benefits, and allow churches to mobilize workers for the Great Commission.

We focus on the details, so you can focus on your mission. We specialize in campus churches and missional church plants, but partner across the globe with a variety of ministries.

Stop by our booth to speak to an experienced fundraiser.

HCSB
Take a
fresh look

Every word matters.

Every word of Scripture matters because every word is from God and for people. Because every word is from God, the HCSB uses words like Yahweh (Is. 42:8), Messiah (Luke 3:15), and slave (Rev. 1:1). And because every word of Scripture is for 21st century people, the HCSB replaces words like "Behold" with modern terms like "Look." For these reasons and others, Christians across the globe are taking a fresh look at the HCSB.
